## Lido's Lifeline Bridge

### NO SOCIAL DISTANCING REQUIRED

A very crowded Lido Isle in 1928, with lines forming for boat service to the mainland. Thanks to the Dick Whittington Collection at the USC Library, where you can buy prints of this photo for personal use.

A special thank you to Carol Mason, the Islander's Old Isle contributor, who diligently provides our island's history in a visual and entertaining format every month!

Lido Isle residents appreciate the usefulness of a good bridge in going about their day-to-day business. But when Lido Isle opened to the public in the summer of 1928, there was no bridge. Lido Isle's opening day in that year was bustling with people from all over southern California, but they were all brought in by boat. The attached photograph shows what a logistic challenge this was on that very busy day. Lido's developers realized that they needed to quickly remedy this situation if they planned to sell any real estate, and they built a temporary causeway giving access to the island. There are no photographs of the causeway that have come to Old Isle's attention, but contemporary advertisements make clear such a structure was in place. Finally a permanent bridge was built (and has been rebuilt in identical form in recent years), and a panoramic and early view of Lido's essential lifeline to the mainland shows how far Lido has come in the past 90-plus years.

▲ An early map from the Sherman Library in Corona del Mar bragging of the easy access to Lido Isle over the "temporary causeway".

Lido Isle's beautiful bridge in its early years, leading to a sparsely populated island. How things have changed! Sherman Library photo.

# New Emergency Warning Systems

by Gail Reisman

I'm writing this column at noon on Friday, May 1. Outside, I hear siren blasts and a clear, loud voice announcing that Newport Beach is testing its new Outdoor Warning Notification System.

We now have two new emergency notification systems: one local and one state-wide.

Newport Beach's Outdoor Warning Notification System is an upgraded version of the city's Tsunami warning sirens. The new system includes three strategically-installed speakers for broadcasting notification sirens and voice commands with preliminary information and instructions. The speakers are located at West Jetty View Park/Wedge, Marina Park on Balboa Boulevard, and West Newport Park, near 60th Street & Seashore Drive.

The speaker notification system will be used for all hazards or disasters where immediate action from the public is necessary. They will be tested each month on the first Friday at noon. If you hear the speaker notification system, and it's NOT the first Friday of the month, turn on your television to channel 3 or radio to 107.9 KWVE for further instructions and information.

At the state level, California now has an earthquake early warning Smartphone app called MyShake. MyShake will give Californians who download it, warnings from any corner of the state.

Alerts on the MyShake app will be sent messages to areas expected to experience a shaking intensity of level 3 or above. (Level 3 is defined as "Felt quite noticeably by persons indoors, especially on upper floors of buildings. Many people do not recognize it as an earthquake. Standing motor cars may rock slightly. Vibrations similar to the passing of a truck.")

Warnings will also be sent by text message (similar to Amber Alerts) through the Wireless Emergency Alerts system. However, you should download the MyShake app if you can. Text alerts will be sent to people in places where the minimum intensity level will be somewhat higher, starting at 4. (Shaking level 4 is described as "Felt indoors by many, outdoors by few during the day. At night, some awakened. Dishes, windows, doors disturbed; walls make cracking sound. Sensation like heavy truck striking building. Standing motor cars rocked noticeably.") Those text message alerts will also be slower than the app because the system was designed for other types of emergencies where mere seconds don't make a big difference.

**What can you do with a few seconds of warning?**

- You can drop, cover and hold on.
Crews can shut down fuel pipelines pumping at high pressure.
Surgeons can remove their scalpels and shut off electric cauterizers to prevent fires.
Transit agencies could slow trains to reduce the chances of derailment.
Fire stations could make sure garage doors are open so firefighters can quickly get to emergencies.
Elevators could stop at the closest floor and open to let passengers out.

How reliable is the MyShake app? For now, we can expect false alarms and missed alerts. However, the consensus in countries like Japan and Mexico that have similar systems is that the potential life-saving benefit is worth any deficiencies.

# 50,000 Boy Scouts

Hello Lido! This is your Troop 37 columnist Mason Richley Alexis. The month of May has not been easy for many of us, due to the global shutdown caused by the coronavirus. Despite this, Boy Scouts still moves on, and we meet every Tuesday via Zoom to talk, learn, and play fun games. However, I will take this opportunity and the lack of news to talk about the 1953 Jamboree that happened in Newport Beach. This event took place in what is now Fashion Island and was attended by over 50,000 Boy Scouts! Scouts were able to go shooting, practice archery, swim, and earn many merit badges. Richard Nixon, who was then our Vice President, gave a speech at the event and attended a pancake breakfast with Scouts. Jamboree Road was named in honor of the 1953 National Jamboree. All in all, this past month has been a challenging time, but grand memories of the past push us forward. Although we may not be doing much camping in large groups this summer, the historic 1953 Jamboree that took place in our own "backyard" inspires us tremendously. (If you wish to be inspired as well, watch The Boy Scouts of America Jamboree 1953 Quest for Peace on YouTube.) Thank you all for reading this article, and we hope that you stay safe and well in these times!

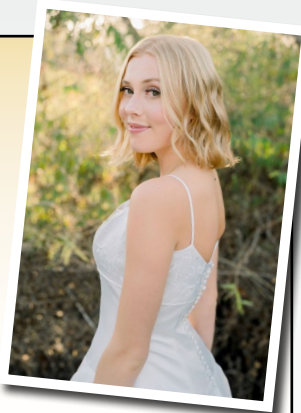

# Congratulations

*Lido would like to congratulate these hard working students and all of the high school senior sons, daughters, and grandchildren of Lido Isle. We are proud of your accomplishments and wish you the best with your future endeavors.*

*Terrance "Terry" Martin*

July 3, 1954 - April 26, 2020

He is survived by his wife, Melissa Martin, three sons and 4 grandchildren.

Terry and Melissa have been Lido Isle residents since 2011. He was laid to rest at sea May 9, 2020. The journey to sea had an escort of approximately 20 boats honoring Terry and the legacy he achieved. Terry loved to travel the world along with Melissa, from Africa, Asia, Mexico, the Caribbean and all over Europe. His favorite hobby was sport fishing. He was a very talented musician, sharing his love for music with his ability to play multiple musical instruments.

As his wife Melissa expresses; "His loss is so great". Terry will be deeply missed by his family and friends.

# LIWC

LIDO ISLE WOMEN'S CLUB

JUNE 2020

LIWC  
2020-2021  
Co-Presidents

WENDY STARK

SUE BINKERD

## LIWC's Spirit is Alive and Well

This is my final newsletter as President of the Lido Isle Women's Club for 2019-2020. I want to thank the out-going board: **Lee Warden**, Parliamentarian, for acting as my personal guidance counselor and the "go to" person for the entire board; **Susie Hyman** and **Lori O'Shea**, 1st VPs, for creating extraordinary events the past two years; **Kelly Massey**, Membership, for bringing an enthusiastic younger perspective to the board; **Nancy Arnold**, Treasurer, for keeping the books straight as well as sharing her tech expertise to bring us into the 21st century with our data base and directory; **Wendy Stark**, Recording Secretary, for generating great ideas from her philanthropic background; **Angie Barrie**, Corresponding Secretary, for voluntarily making Family Events happen this year in addition to her other duties. It was a pleasure and an honor to serve with such a wonderful group of versatile, dynamic individuals. Also, many thanks to each and every one of our members for their continued support of the events that we had the good fortune to enjoy until 😊 changed to 😞 this spring.

Although we were unable to complete all that was planned, including the traditional Installation Luncheon slated for June 3rd, LIWC's spirit is alive and well! Without ceremony, we extend an appreciative welcome to our LIWC 2020-2021 Board Members:

- Wendy Stark and Sue Binkerd**, Co-Presidents
- Joyce Boghosian and Diana Miner**, Co-1st Vice Presidents
- Madelyn Bailey**, 3rd Vice President (Membership)
- Nancy Arnold**, Treasurer
- Connie Cunningham**, Recording Secretary
- Toni Gray**, Corresponding Secretary

With the experienced leadership of these board members, the Lido Isle Women's Club will be in capable hands during the coming year. Hopefully, before long we will again be greeting old friends and meeting new ones at LIWC events. Meanwhile, as I now say when I greet people while walking, "I'm smiling behind this mask" and I hope you are, as well.

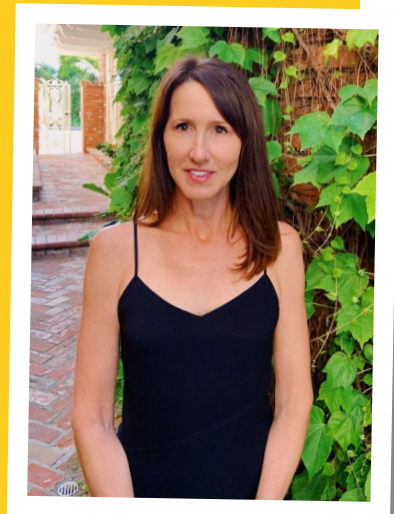

Margo Iverson  
President, 2019-2020

Last month we featured our two Co-Presidents; Sue Binkerd and Wendy Stark. Each month we will introduce you to two more amazing ladies volunteering to make our Island a Fantasy for 2020-2021! This month meet Toni Gray, Corresponding Secretary and Nancy Arnold, Treasurer...

### ABOUT TONI GRAY

My name is Toni Gray. I've been married to Glennon for 28 years. We settled on Lido in June 2018 and have loved it ever since. We have three daughters: Jordan, Devin and Morgan. Jordan and Devin have graduated and are successfully adulting in San Diego and Morgan is a nursing student at TCU. I volunteer at CHOC hospital and truly love being with the kids. I'm currently enjoying empty nesting and cooking.

### ABOUT NANCY ARNOLD

In 1992 when a realtor was showing us houses on Lido, one of our concerns was parking, as we were currently living on the peninsula, and one of the things that was always so difficult was having people over because there was never parking! The realtor patiently assured me that parking wasn't really a problem and what ends up happening anyway is all your friends are on Lido so you can just walk to each other's houses and the clubhouse. He was right! The island is filled with friends and many of us raised our children together here. We fully embraced the Lido lifestyle and continue to love and support LIWC.

## Meet This Year's Sailing Instructors...

Summer Sailing Program Set to Begin on June 22

As we adapt to the challenges this pandemic presents, we are able to keep our sights set on running the best summer sailing program possible. We understand that these times have been difficult for everyone, and we are thankful that we can provide a distraction from all the chaos. The summer sailing program is set to begin on June 22nd, and we have been working hard to secure an exceptional team of instructors. Many of our coaches from last year are returning, but we are also excited to welcome a few new faces to our Lido family. This is not an exhaustive list, so be sure to keep an eye out for our email newsletter prior to the program start that will include the remainder of our instructors.

We are very excited to see this team of coaches in action this summer. We will update you with more details about the program this summer as we approach the start date, however we thank you for your continued patience as we adapt to the constantly changing situation. Please feel free to reach out to Brooke Sharp ([sailingdirector@liyc.net](mailto:sailingdirector@liyc.net)) or Jack Thompson ([jthompson@liyc.net](mailto:jthompson@liyc.net)) with any questions regarding the junior sailing program.

We wish you all the best, *Jack Thompson & Brooke Sharp*

**Lauren Simpson** is a junior on the Newport Harbor High School varsity sailing team, and is one of the top crews. She spent 8 years racing in the junior program at LIYC where she reached the level of sabot A. In addition to high school practices and regattas throughout the year, she races in CFJ's for LIYC. Lauren has accumulated 3 years of coaching experience to date working mostly with the Novice class. She is eager to get back on the water and share her love of sailing and the Lido program with the kids!

**Alex Wainwright** has lived in Newport Beach since the age of 5. He graduated from Harbor Day School in 2017. He started sailing sabots in 2012 with the Newport Harbor Yacht Club, and continued to sail sabots until 2017, when he entered the CFJ class. Alex now competes for the Hotchkiss School Varsity Sailing Team in Lakeville, Connecticut. This will be Alex's third year coaching at Lido, and he looks forward to being on the water this summer.

**Michael Gaffney** is a Junior skipper on the Newport Harbor High School Varsity Sailing Team. Throughout this past season, he was able to sail at a few major high school regattas including Rose Bowl, Golden Bear, and Gaucho. Additionally, he picked up a lot of team racing experience at the Harold Adams regatta in San Diego. He worked as an Instructor for the last two Summers at Lido Isle Yacht Club where he enjoyed teaching the Novice Class. He is looking forward to working at Lido again this summer where he can pass on all the knowledge he has accumulated this past high school season.

**Cole Pomeroy** has been an avid sailor since the age of six. He made it to Sabot A, and won Sabot 2 Championships. He also won multiple perpetual trophies at clubs across Southern California including the prestigious letter of commendation from Newport Harbor Yacht Club. In addition to having sailed Sabots, Optis, Lasers, CFJs, J22s and J70s, Cole actively sails Harbor 20s here in Newport Harbor. He has always had a love of the water, and in addition to sailing, participated in the Junior Lifeguard program for multiple years. This will be his third year at Lido, and he is looking forward to another great sailing program.

**Ezugo Ononye** is an incoming freshman in the Industrial and Labor Relations School at Cornell University this fall. He attended Sage Hill High School where he sailed all four years, was the Sailing Team Co Captain and the Student Council Vice President his Senior Year. He also played water polo and swam for Sage Hill. He is a member of the Lake Mission Viejo Sailing team where he served as the Junior Commodore, represented LMVYC at the Junior Olympics, and is a former sailing instructor. Ezugo also became an Eagle Scout in 2019.

**Jonathan Chance** graduated Sage Hill in 2019 where he served as a Student Ambassador, Peer Counselor, and Captain of the sailing team. More recently, he competed as a freshman on the varsity sailing team at Bowdoin College in Brunswick, Maine. Jonathan began to sail when he was eight years old and raced Sabots for LIYC and NHYC. He also sailed CFJ's with NHYC and Laser Radials with ABYC. Jonathan is excited to return to Lido this summer and share some of the racing skills he has learned in college.

**Julia Jeffries** is a Freshman, heavy-air crew and skipper, on the College of Charleston Varsity Co-ed Sailing team. She began sailing at the age of 6 and raced C420's and Laser's Race teams at Pleon Yacht club from 2014 to 2018. She also sailed for Tabor Academy in high school where she qualified for the fleet race New England championships all four years, and won in 2016 and 2018. She qualified for the New England Team Race Championships all four years and won in 2018. The team also advanced to the fleet race national championships, in 2016, 2017, and 2018 and High School Team Race National Championships, in 2016 and 2018.

**Eric Jones** just finished his senior year at Newport Harbor High School. He is a member of the National Junior Classical League, California Scholastic Federation, and the Harbor 20 Association. Eric began sailing at BCYC when he was 6 years old and continued through the Sabot program at NHYC. Eric also spent a summer sailing Optimists at Tom's River Yacht Club in New Jersey. He moved into CFJs at NHYC and sailed on the NHHS Sailing Team. In addition to his time at Lido, Eric has worked as a sailing instructor at the Newport Sea Base. Eric enjoys competing in the Harbor20 B fleet, hiking, fishing, playing his cello, and skiing.

**Tyler Jones** is a graduate of Newport Harbor High School. He graduated with honors and an International Baccalaureate Degree. He just finished his freshman year at Cal Poly SLO where he is pursuing a degree in Physics. Tyler began sailing at BCYC when he was 6 years old and continued through Sabot A's at NHYC. He continued sailing at NHYC in the CFJ program and sailed on the NHHS Sailing Team. Prior to his summer with Lido, Tyler worked at Marina Park as an instructor for keel boats and summer camps. If not on the water, you can probably find Tyler in the boat garden working on the club's boats.

**Prescott Cook** is a rising Senior at Newport Harbor High School. He sailed sabots for eight years at Bahia Corinthian Yacht Club and Newport Harbor Yacht Club. Prescott has experience sailing a range of dinghies from CFJ's to Melges 14's as well as large sailing yachts. Prescott has coached at Lido the past 2 years, most recently has a C3 coach, and is excited to return for another summer.

**Ryan Potter** grew up sailing in the bay and has been at it for more than 10 years now. He just finished his senior year on the Newport Harbor High School Varsity Sailing team where he played a versatile role as one of the top skippers and crews. In his time at NHHS, he was able to travel to several national championships including keelboat nationals in Florida this past fall. When he's not sailing, he is almost certainly playing ultimate frisbee with the NHHS frisbee club. Before he ships off to the University of Vermont this fall, he can't wait to get back on the water with Lido this summer.

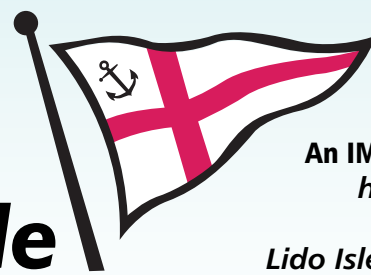

**Brooke Wilke** grew up sailing sabots at BYC. She sailed on the Newport Harbor High School varsity team all four years until she graduated in 2018. She just finished her sophomore year at Savannah College of Art and Design in Savannah, Georgia, and she is planning to major in Industrial Design and dual minor in Design for sustainability and Marine Design. This will be her 4th summer coaching at Lido, and cannot wait to hop in a coach boat again.

Lido Isle Yacht Clubs 92nd Opening Day

## Lido Delivers on Food Drive and an Opening Day Parade

Today, Jr. Staff Commodore Betsy Decker and I had the pleasure of delivering a "boatload of food" collected through the LIYC food drive. In fact, thanks to the generous donations of many of folks on Lido, we were able to give two or three boatloads. The food was given to Share Our Selves just a mile and half from the Lido Bridge in Costa Mesa. We also presented SOS with cash donations received from a few generous residents. Thank you to everyone who contributed. And a special thank you as well to the Jr. Board for their efforts in helping organize and execute the food drive.

SOS was very appreciative of the gifts; and our efforts did not go unnoticed around the Bay. Two other yacht clubs have already reached out to SOS

wanting to find out how they too can have a food drive. Sometimes something small can start something big.

Did you think you were hearing or seeing things on May 2nd? Was there really an Opening Day parade? I sure thought I was hearing things, until I came outside to be so pleasantly surprised to find my friends and neighbors had organized a parade. My wife Denise was in on the plot, to make sure I would be home. Barbara Wall, chief instigator, along with her husband Quentin, led the parade on their bicycles with flags waving. Following behind was a long line of cars and golf carts decked out to celebrate the season, with horns honking and people waving. What a perfect way to start the day! Just one more reason to love our great community on Lido Isle!

# A Boat Load of Food

## LIYC Junior Board Organizes Food Drive

by Reade Decker, Junior Rear Commodore

Covid-19 has impacted us all, but some more significantly than others. With twenty-two million people out of work, members of our society struggle to put food on the table. The Lido Isle Yacht Club Junior Board decided they wanted to give back during this unprecedented time. Working with the Senior Flag Officers, the Junior Board identified Share Our Selves (SOS) as a charity that would impact our local community. Through a two-day food drive, the Junior Board challenged island residents to “fill a boat load of food” to donate to Share Our Selves (SOS). A trailer and sabot were positioned at the Genoa boat garden to remind residents to give to those in need. After two successful days, the Lido Island Junior Board is thankful to those who helped us fill over three boat loads of food.

Newport Beach Police Advisory:  
**An Open Garage =  
 An Opportunity for Crime**

In the last several weeks, we have seen an increase in garage burglaries reported. Many of these cases are related to garage doors being left unsecured. An unattended, open garage leaves all of the property in the garage visible & easily accessible to passersby. Even if you just step away from your garage for a moment, burglars can easily grab a bike, tools, golf clubs or other valuables and disappear in just a few seconds. With these things in mind, please remember to keep your garage doors (including pedestrian doors) closed & secured when you are not present.

Here are some additional tips for preventing garage burglaries:

- If your garage door has a “remote lock” button on your wall pad, use it nightly or when you are away. This will disable any garage remote, including the one in your vehicle.
- If you cannot disable your remote, consider removing the garage door opener from your vehicle as it can be used to open your garage & possibly enter your home.
- Lock bikes and other valuables to something stationary within the garage.
- Consider improving the lighting on your property, criminals like to work in the dark.
- Use a padlock in the garage door’s track ¼ inch above the roller when the door is in a closed position. This will prevent the door from opening in the event someone has a garage door opener with your door’s frequency.
- Cover your garage windows with curtains or blinds to prevent burglar from seeing what you keep in your garage.
- Put your Neighborhood Watch to work. Make a strong commitment to knowing and watching out for each other.

As always, if you see suspicious activity, vehicles, or people, call the Newport Beach Police Department immediately at 949-644-3717.

# TENNIS CLUB

## - SOS -

### Nighttime "Social on Sunday"

Tentatively Scheduled for  
**SUNDAY, JUNE 14, 2020**  
**BARCELONA TENNIS COURT, 4-8pm**

The June SOS remains on the calendar, understanding that it is tentative. Should we be permitted to resume play, come out and enjoy the first NIGHT SOS of 2020 on Sunday, June 14th at the BARCELONA tennis court. Hit a few balls, relax and experience the friendship of your neighbors. During the reconstruction of the San Remo park, the SOS continues to be held on the fabulous Barcelona court and everyone is enjoying the intimate setting. The JUNE LITC SOS will be held between 4PM and 8PM on Sunday, June 14th. The SOCIAL ON SUNDAY will have a lively spirit, wonderful food and fine refreshments. If you have yet to participate in a LITC SOS – the time is now! Eat, drink and socialize while participating in some mildly competitive, friendly tennis with an emphasis on fun. If you don't wish to play in this very social format, no problem, just come out, feast away and enjoy some camaraderie with your neighbors. Simply show up at the court with (or without) your racket, it's an easy way to have a bit of fun. Play as much or as little as you'd like. Please grab a friend or family member on the way over. If you are considering joining the LITC for the first time, this is a great way to give it a test drive. The SOS is a monthly event, held on the third Sunday of each month, hosted by the LITC and all members plus their guests are welcome. Doubles and mixed doubles plus some mixed-up doubles are played throughout the day.

**BLAST FROM THE PAST - 1998 LIDO ISLE MIXED DOUBLES CHAMPIONSHIPS**  
 Jack Finney, Karen Littlefair, Roxanne Fischer and Gordon Graham.  
 (They haven't aged a bit since!)

**BLAST FROM THE PAST – CAMP LIDO 2003, La Quinta Resort.**  
 Larry Parker, Bob Pollard and Jon Flagg. (Flagg is getting a lecture from Parker about missing the last shot)

## LITC UPDATES

### Playing Singles and Hopeful...

As of press time, COVID-19 remains an unfortunate part of our lives and activities continue to be limited – but we can play singles now. The LITC is honoring current, yet improving mandates ensuring that everyone stays healthy and that we can get this episode behind us so that we can get back on the courts in full force. The events of the past few months, including Camp Lido, tournaments and SOS's were placed on HOLD and are to be rescheduled if possible, so please understand that the items on the calendar may or may not occur as we push through the near future. Rest assured, the LIDO ISLE TENNIS CLUB will be making the latter half of the year as fun, eventful and exciting as can be so please be on the lookout for any changes to the schedule. Most importantly, please stay safe and enjoy your family, friends and loved ones. We are all eager to resume our lives and enjoy the wonderful amenities that our great island and programs have to offer. Thanks for your patience at this time.

### SHOW YOUR LOVE FOR LITC

### Junior of the Year 2019: JOHN FLAGG AWARD Conrad Cook

In my efforts to update the LITC JUNIOR OF THE YEAR AWARD, I am awarding the Jon Flagg Perpetual Junior Tennis Award to Conrad Cook. The award goes to a junior tennis player that has shown excellence in attitude, commitment and sportsmanship throughout the year. Conrad's name will be engraved on the perpetual trophy that is displayed in the trophy case in the clubhouse. Jon Flagg dedicated 10 years to teaching and growing tennis on the island and I am teaching some of his students to this day. Conrad is a 6th grader at Harbor Day School and enjoys many sports, but especially tennis on Lido! He always comes to tennis early with a smile on his face. He loves to compete and loves a challenge. Conrad is always willing and eager to play with anyone that wants to play. He mixes well with others, younger, older, male, female and his good sportsmanship always shows up. Conrad participated in our adult/child tournament where he and his mom, Karen, won their division. He has been involved in almost all junior round robins on Lido and often plays outside of Lido when he gets the opportunity. Congratulations Radical!!! You definitely earned this.

## Tennis Lessons on Lido

Summer is just around the corner, so reserve your spots now! Margie Mateljan, Robbie Reenan and Mike Lindsey are available for lessons year-round. Post-COVID, Margie and staff are sure you will wish to punish a few tennis balls while learning or improving your game or simply getting some of the pent-up energy out of your body. Book your lesson spots now. The Lido tennis program is one of the islands' finest assets along with our fantastic tennis facilities and professional instructors. Tennis lessons are available with USPTA certified pro Margie Mateljan and her assistants Robbie Reenan and Mike Lindsey. The staff is available for any type of instruction you are looking for. They teach private and group lessons. Please contact Margie 949-233-5670 if you are interested. Sign you or your child up today. All levels are welcome.

### Tennis Tip:

Use a Balloon to improve your timing. See how many consecutive hits you can do without letting the balloon hit the ground. Use your hand, racquet or even a wooden spoon. Alternate between keeping your palm face down and face up to work on your forehands and backhands.

## It's not too late to join! *Lido Isle Tennis Club Membership*

With over half of the year remaining and as mentioned above, the LITC calendar will be jam-packed with fun once we resume activity, therefore the LIDO ISLE TENNIS CLUB would love to have your continued support. It is not too late to join and you will get more than your money's worth. The LIDO ISLE TENNIS CLUB formed in 1953 and has been running strong ever since, promoting tournaments, junior tennis, ladies' teams, the tennis instruction program and various other events in order to ensure a vibrant tennis program for the Lido residents that are fond of the sport. All levels and ages are welcome. The LITC offers so much value to this island that we are fortunate to call home and would love to see you as a part of this great tradition. For membership questions, please contact Janice Walker at 949 675-1041 or bwjj2@hotmail.com to get any of your questions answered.
