DIRECTIVE # 26: RULES FOR USE OF CLUBHOUSE PATIO

[Add Fee Schedule and Patio Graphic as attachments.]

The intention of this Lido Isle Community Association ("LICA") Directive No. 26 is to make LICA's Clubhouse **Side Patio** readily available on an equitably shared basis for temporary exclusive use both by Qualified Users, the organizations and groups referred to collectively below as "Approved Organizations," and by individuals referred to collectively below as "Eligible Hosts," and as further defined in Section 2.0 below.

Approved Organizations should and will have scheduled use of the **Side Patio** with no reservation charge. For the convenience and benefit of Eligible Hosts who desire to have scheduled use of the **Side Patio** for a personal function, a non-refundable fee and a refundable deposit will be charged.

This Directive describes the process for registration and coordination of dates of **Side Patio** use and describes all restrictions on the types of such uses, consistent with zoning as a community clubhouse, and subject to Civil Code §4515. The responsibility for carrying out this Directive has been delegated to the Association Manager, who is responsible to the LICA Board of Directors (the "LICA Board"). All questions and concerns regarding this Directive No. 26 shall be directed to the Association Manager.

1. QUALIFIED USERS

The Clubhouse is available for use only by Approved Organizations or Eligible Hosts, as further defined below. Certain uses are prohibited. (See Section 5.0 below.)

1.1 Approved Organizations.

1.1.1 "**Qualified Organizations**" approved by the LICA Board are Lido Isle Community Association "LICA", Lido Isle Men's Club "LIMC", Lido Isle Tennis Club "LITC", Lido Isle Women's Club "LIWC" and Lido Isle Yacht Club "LIYC".

1.1.2 "**Sponsored Groups**" are all designated groups for which any of the Qualified Organizations (LIMC, LITC, LIWC or LIYC) decides to serve as the sponsoring Qualified Organization because in each case the Sponsored Group is appropriate to the goals and objectives of the sponsoring Qualified Organization and serves a function that is typically or historically associated with the sponsoring Qualified Organization. Whenever any of the Qualifying Organizations proposes to add another Sponsored Group, it shall first submit a written request to, and obtain the approval of, the LICA Board. Also, on no less than an annual basis, each Qualifying Organization shall submit a written request to, and obtain the approval of the LICA Board for continued approval of its list of Sponsored Groups. Sponsored Groups shall always be considered a sub-group subject to the rules and supervision of the sponsoring Qualified Organization which shall be responsible for ensuring that each of its Sponsored Groups adheres to all applicable requirements of this Directive No. 3, including proper care and use of the Clubhouse during any event and designated cleanup rules thereafter.

1.1.3 “Interest Groups” are any other non-profit organizations or group of persons approved by the LICA Board as a Lido Interest Group. Each Interest Group must meet the following criteria to be considered by the LICA Board for use of the Clubhouse Patio on a non-fee basis: 1) The Interest Group members must be primarily LICA members or their tenants with a current annual lease (collectively, “LICA Resident”); 2) Membership must be open to all LICA Residents; 3) Membership must be advertised to all LICA Residents; 4) The purpose of the Interest Group must be not for profit to any individual, organization or company; 5) Use of the Clubhouse by the Interest Group is subject to approval by the LICA Board initially and on an annual basis thereafter; 6) A waiver signed by all Interest Group members may be required; 7) The Interest Group must establish a chair or contact person who must be a LICA member.

1.1.4 Qualified Organizations, Sponsored Groups and Interest Groups (collectively, “Approved Groups”) are permitted use of the Clubhouse Patio without paying a fee. No later than September 15, all Qualified Organizations and Interest Groups shall submit calendar date requests to the LICA office for incorporation into the LICA master calendar for the upcoming year or organization period. Events scheduled for Qualified Organizations shall receive priority for date selection over those of Sponsored Groups or Interest Groups. Qualified Organizations shall first review and then submit all calendar requests for any Sponsored Group. Sponsored Groups and Interest Groups may not sponsor other groups or events. Conflicting dates will be resolved by the involved organizations, LICA Board Clubhouse Liaison (“Clubhouse Director”) and/or the Association Manager. Requests for private use for the following calendar year can be made after September 15. Qualified Organizations and Interest Groups may reserve additional dates after September 15 provided the Clubhouse is available and written approval is obtained from the LICA office. Questions regarding unresolved conflicting events or other unresolved matters will be referred to the LICA Board. If deemed required by LICA’s Insurance policies, Qualified Organizations and Interest Groups must provide a certificate of liability insurance to the LICA office listing the Lido Isle Community Association as an additional insured, specifically stating the function and the date of the event(s), or one person from such group must provide a homeowners policy, naming LICA as an additional insured, to provide coverage for the event or series of events.

Any LICA Member whose use of LICA amenities has transferred to their tenant is not an Eligible Host. POLICY: NOTICE OF NONCOMPLIANCE/VIOLATION OF CC&R's, BY-LAWS AND/OR FINES

1. The objective of this Policy is to promote and seek a Member's *voluntary* compliance with the Governing Documents.

2. In most cases, the Member will be notified in writing of a reported violation by way of a "courtesy letter." The "courtesy letter" will identify the reported violation and ask the Member to correct the violation within a specified number of days depending on the type of violation. However, depending upon the nature or severity of the reported violation, the hearing process described below may be initiated without a "courtesy letter," and/or the Association may proceed directly with seeking to obtain compliance through other means as provided by law (including, without limitation, IDR, ADR, and/or civil action).

The Association may, in the Board's discretion, seek compliance with the Governing Documents by pursuing any one or combination of the remedies described below, including proceeding immediately with monetary penalty, suspension of privileges, implementing correction of the violation, Alternative Dispute Resolution, or legal action.

If a violation of the Governing Documents exists or has occurred, a courtesy letter may be sent requesting the Member to cease subsequent acts of this nature or to bring the violation into compliance within a reasonable time specified in the letter.

A violation hearing letter may be sent as the first notice in the following order:

~~1. a. First courtesy letter — A courtesy letter is sent regarding the nature of the alleged violation.~~
~~b. Second Courtesy Letter — after a courtesy letter has been sent and the violation remains or, a subsequent act of the same provision occurred.~~

~~c. Violation Hearing letter —~~ 3. The Board of Directors may impose a monetary penalty, suspend Membership privileges as permitted by law, and/or implement corrective maintenance and charge the Member for the cost thereof, after the Member is offered an opportunity to be heard on the matter. The violation hearing letter shall contain the following information:

- (a) A brief description of the violation, a reference to the provisions of the Governing Documents violated and, in the event of a continuing violation, the date by which the violation is to be corrected.
- (b) The disciplinary, corrective action, and/or penalties which may be imposed.
- (c) The date, time, and place of the meeting in which the Member has the opportunity to attend a hearing before the Board of Directors, view the evidence of the violation, and present a defense including supporting witnesses.

Please note that some members may not receive a courtesy notice depending on the nature of the violation.

The violation hearing letter must be delivered by personal delivery or mailed by first-class mail to the Member at least 10 days prior to the meeting date. The Member shall be entitled to submit a statement of defense to the Board in advance of the hearing. The hearing shall be conducted according to such reasonable rules and procedures as may be set forth by the Board. The hearing shall be conducted in Executive Session, unless the Member specifically requests in writing that the hearing be conducted during the Open Session. Proof of notice for the hearing shall be placed in the minutes of the meeting (i.e., a copy of the notice together with a statement of the date and manner of deliver of the notice). Within fifteen (15) days following the hearing, the Board's written decision shall be mailed to the Member. No disciplinary action against the Member may take effect prior to five (5) days after the hearing date.

1. 4. The Board may offer Internal Dispute Resolution ("IDR") to a Member pursuant to California Civil Code Sections 5900 et seq. or elect the Alternative Dispute Resolution ("ADR") process complying, as necessary, with the provisions of California Civil Code 5925 et seq., before bringing

any civil action or suit to enforce the Association's Governing Documents.
